

Paul VI Summer Studies Program 2009

Refresher and Preparation Courses for Returning and Transfer Students

Preparation Course (no credit: open to rising freshmen, sophomores, juniors and seniors):

Study Skills Seminar

Students will be introduced to a variety of effective learning strategies. Instructions will include skill building in learning, listening, organization of materials, time management, note taking, memory building and test taking.

Session I: 6/23 - 7/09 (18 hours) (8:00 am-10:00 am) (Tues., Wed., Thurs. each week)

Session II: 7/14 – 7/30 (18 hours) (8:00 am-10:00 am) (Tues., Wed., Thurs., each week)

Cost: \$240

Teacher: Mrs. Becker

Refresher Courses (no credit: open to rising sophomores and juniors)

Math: A course designed to help students who have already taken Algebra 1 prepare for Algebra 2. This course will help erase the “time lapse” experienced by some students when there is a year between these courses. A workbook is required and will be available in the PVI bookstore.

Dates (one session only): 7/20 - 7/30 (Mondays through Thursdays) (9 am - 10:30 am)

Cost: \$200

Teacher: Mr. Opfer

Math Level Change Option: (no credit: open to rising sophomores and juniors)

This course is designed for students who have taken Basic Algebra 1 and wish to move to College Prep (CP) Geometry or CP Algebra 2. This course will introduce and teach concepts which were not covered in Basic Algebra 1 but were covered in CP Algebra 1. It will also re-teach concepts which will help build up the student’s skills necessary for success in CP Geometry and CP Algebra 2. Homework and tests will be given and students must pass a CP Algebra 1 exam at the end of the course to be able to move to the CP level. A workbook is required and will be available in the PVI bookstore. Text book will be needed. Attendance is required.

Dates (one session only): 6/22 – 7/9 (24 hours)

(Mon. through Thurs., 8 am – 10 am)

Cost: \$280

Teacher: Mrs. Johnson
