For specific information on Testing Accommodations for Standardized Tests, please consult with your first choice school. In general, students having a documented Individual Education Plan (IEP) or Service Plan that states the need for specific testing accommodation(s) on standardized tests will be given those accommodations. The Diocesan expectation for extra time extended testing is equal to 1½ times the regular testing time for those students with the appropriate IEP or Service Plan. **Only those students in possession of a valid IEP or Service Plan will receive testing accommodations.** Accommodated testing will be offered at all four test sites for the December and January test dates. Students qualifying for accommodations **must submit the High School Placement Test Registration Form and attach any documentation including IEP or Service Plan** to the appropriate test site **at least one full week before the test date** to allow the school to provide the appropriate accommodations.

We are happy you have decided to take your High School Placement Test at Paul VI Catholic High School.

Please keep the following information for your reference:
